

Nicotine History

Dr. Hobar's goal is to achieve the very best results possible in wound healing.

Whether you are exposed to nicotine by secondhand, social smoking, nicotine patch, gum, or regularly smoking; the same risk applies and it can effect wound healing.

Please describe your nicotine history:

I have never smoked in my life. (Including nicotine gum, patch, cigars, cigarettes)

I only smoke socially # _____ cigarettes/cigars per week. My most recent exposure was on _____ (date.)

I am currently a smoker: I smoked # _____ cigarettes/per day for _____ years.

I don't smoke, but I am exposed by secondhand smoke at work or home or lifestyle.

Date of Birth: _____

Printed name: _____ date _____

Signature: _____
